

NOTE FOR APPENDIX M

The Laboratory Data Packages and Electronic Data Deliverables (EDDs) are part of the project file at the TRC Millburn office. CD(s) containing laboratory analytical reports and EDDs associated with the Site Wide Ground Water Remedial Investigation were submitted to the NJDEP under Appendix M of this report. As required by the current Site Remediation Program Electronic Data Interchange Manual (February 21, 2013), the EDDs were also submitted electronically (via e-mail) to the NJDEP SRP (srpedd@dep.state.nj.us). Copies of the e-mails, submitting the EDD files to the NJDEP, are attached.
